BINH NGUYEN

SOFTWARE ENGINEER

CAREER OBJECTIVE

Meticulous web developer with over 2 years of hands-on experience in frontend development, driven by a fervent enthusiasm for software engineering. Seeking to transition into a professional Software Developer role, where I can leverage my education, experience, and skills to carry out my tasks with efficiency, professionalism, and effectiveness. I am interested in finding a competitive and challenging environment where I can serve your organization and establish an enjoyable career for myself.
